

Festive family trail- explore our festive town centre trail to win cracking prizes

Festive family trail- explore our festive town centre trail to win cracking prizes

This festive season, we're launching an exciting family trail that will see ten impressive Nutcracker statues making the town centre their home. Our troop of colourful Nutcrackers will arrive at mystery locations around Guildford town centre from 7 December to 5 January 2023.

Designed with families in mind, the Nutcracker trail lets you explore the town centre at your own pace. There are plenty of opportunities to take advantage of Guildford's fantastic cafes, restaurants and shops along the way.

Your goal is to follow the trail map, find the Nutcrackers hidden in shops, and businesses, and spell out the festive word. Once completed, post your answer on the trail map in the special competition post box in Tunsgate Quarter. All correct entries will go into a prize draw.

Prizes include:

£100, £50 and £25 high street vouchers

a pair of tickets to a show at the Electric Theatre

pantomime performances at the Yvonne Theatre for a family of four (one adult minimum)

two tickets to Cirque at G Live!

Cllr Julia McShane, Leader of the Council, said:

"The Nutcracker trail is another free activity to help bring festive magic to our town centre this year.

"Although we can't reveal where the nutcrackers are hiding, I'd like to thank the businesses who have agreed to host our festive visitors this year. Thanks also to the theatres that have generously donated prizes of tickets. Good luck to all the entrants to the competition."

Maps for the trail can be picked up at Guildford Library, the Tourist Information Centre and Tunsgate Quarter. Or download the map and print it at home. Visit The Nutcracker Christmas Trail in Guildford - Family in GUILDFORD, Guildford - Visit Surrey, where you'll also find the full terms and conditions.
