

Free family events this Easter

Join us for family activities in Ash and Bellfields this Easter.

On 4 and 12 April, our Playrangers will be visiting Ash and Bellfields between 2pm and 4pm with hopping Easter themed activities.

Please join us on:

Tuesday 4 April at Coronation Gardens, Ash, GU12 5DN

Wednesday 12 April at Bellfields Green, GU1 1JT

Our special Playrangers sessions have so much for you to do. If the kids are feeling curious you can put on your explorer's hat and delve into our Easter nature trail. They may just find some treats at the finish.

If your day is feeling more about play, get stuck in with some of our most loved Playrangers activities and equipment. There will be different activities to choose from each day. There will also be the opportunity to learn new skills and unleash your inner 'Bear Grylls' with bush crafts. Get hands on experience and craft decorations using tools and wood found in nearby woodlands.

These are free events with no need to book. Playrangers brings families and young people together through nature and imaginative play.

Leader of the Council and Lead Councillor for Community and Housing, Cllr Julia McShane, said:

"Our special Easter Playrangers sessions will bring families together to explore, learn and play. We know that families are always looking for affordable things to do during the holidays and we want to take some of that pressure off. These two free events will bring our communities together to make cherished memories in a safe and fun environment."

In 2022 Playrangers sessions supported nearly 1,500 young people across the borough.

Activities at Playrangers sessions are targeted for 8 to 12-year-olds but under 8s are always welcome when accompanied by an adult.

Our usual Playrangers sessions run during term time across six different sites. Find out when and where sessions are held on our website.

We're hiring! We have immediate opportunities available for play workers to join our Playrangers team to deliver our outdoor community play sessions for children and young people. We're looking for highly motivated and organised individuals who are able to advocate for and demonstrate the value and importance of good quality, outdoor play for children in the borough. To find out more and apply visit our website.

Easter Nature Trail!
