

Ash Road Bridge – public information exhibition – 21 and 22 September

Volker Fitzpatrick has started work on the Ash Road Bridge scheme on behalf of Guildford Borough Council. This letter shares details of:

- * our planned activities
- * where to access information
- * how to contact us
- * how to keep in touch during the scheme.

We are building a new road bridge, with footways and a cycle path over the North Downs Railway Line. This will connect the Guildford Road/Ash Hill Roundabout to a new junction with Foreman Road, which will enable the closure of the existing level crossing at Ash to vehicular traffic. The scheme will also include junction improvements, landscaping and drainage works.

To find out more information about the scheme, please come and see our plans and meet members of our team. You will find us in the Small Hall at the Ash Centre, Ash Hill Road, GU12 5DP on:

- * Thursday 21 September – 3pm to 8pm
- * Friday 22 September – 3pm to 8pm

Our current and expected timings:

- * Site preparation – July and August 2023
