

Tongham Moors

The Tongham Moors are now the responsibility of the Parish Council and there have been 2 inspections of the area by the councillors.

The area is now very overgrown and ideas are required for the future use of the area, one suggestion has been to create a wildflower meadow.

Finances for the Moors are now included in the monthly Council financial statements.

The closing balance for the Moors account as at 30/04/2025 stood at £8381.59
